Division II & III teams definitely will play others, Division I teams may play a few games.

MS SOCCER CLUB: Players in the 7th and 8th grades need to register thru the middle school coaches. The contact person for both boys and girls is Lynne Parker (740) 605-3818. There will be summer workouts with the HS teams for MS players.

Basic Rules of the Program:

1. The basic rules of soccer as established by the U.S.S.A. will govern play.
2. All players must play at least 2 quarters each game: one on offense and one on defense. No player should play 4 quarters until all players have played in 3 quarters.
3. Team selection will be done via coaches drafting their players. MYSP maintains the right to assign coaches to a specific team in the attempt to keep a competitive balance among the teams.
4. Coaches, officials, parents, and spectators must at all times display behavior and attitudes that are **POSITIVE** and **SUPPORTIVE**. Adults need to set good examples for the players. Be thankful that children have the opportunity to participate in all youth sports just for the fun of playing.
